Payments have not been made for the following reasons and debtor proposes

repayment as follows **explain your answer**): In our Chapter 13 case the Chapter 13

Trustee has filed a certification of default dated March 2, 2018 saying that we are behind with our Trustee
payments. We did fall slightly behind with my Trustee payments because work was a little slow early in
the year, but I am okay now. We made a payment in February as she indicates on her certification of
default. We also made two payments of \$2,175.00 in March that she does not show, which means that we
are just behind \$1,850.00. We can make that up in April along with April's payment. Accordingly, I ask
that the certification of default be denied.

Other (**explain your answer**): _____

3. This Certification is being made in an effort to resolve the issues raised by the creditor in this motion.

4. I certify under penalty of perjury that the foregoing is true and correct.
